

INVESTING IN A LASTING LEGACY

Yew Chung College of Early Childhood Education (YCCECE) Endowment Opportunities

YCCECE's Endowment Schemes offer a strategic way to invest your philanthropic capital and create a lasting legacy. These expertly managed funds generate sustainable resources to advance Early Childhood Education (ECE) and community initiatives for generations. Restricted funds honor donor's specific intent, while unrestricted funds enable YCCECE to adapt to changing needs.

The initial gifts of the endowed funds are pooled for investment purposes, while the remaining is reinvested to maintain the fund's purchasing power over time. This process is overseen by YCCECE's Endowment Committee, which works closely with professional investment advisors to ensure prudent management and maximize long-term growth. These endowed funds are crucial for fulfilling the college's mission and securing its long-term competitiveness.

Partner with us to secure the future and make a transformative, multi-generational impact in perpetuity. We welcome the opportunity to discuss and customise the endowment options available.
