

1. Debenture

Debenture is used for supporting school development such as increasing educational resources, supporting new developments and innovations in the field of education, and enhancing campus environment, facilities, equipment upgrade, etc. The purchase of a debenture is mandatory for all new Early Childhood Education (Three's Programme and above), Primary and Secondary students. The debentures are non-interest bearing and fully refundable when students leave the school.

2. Sibling Policy

We have a sliding scale sibling policy for parents who have more than one child studying full-time in [Yew Chung International School - Hong Kong](#).

The youngest child: full payment

The second child and onwards: less 10%

3. School Uniform

School uniform is mandatory. There is a summer uniform, a winter uniform and a uniform for Physical Education and sporting activities. Except for shoes and socks, which can be purchased from local stores, all uniform items need to be pre-ordered.

4. School Lunch Fees

School lunch is optional in Primary and Secondary sections and not applicable in Early Childhood Education section. Primary and Secondary students may bring their own packed lunch by arrangement.

5. School Bus Fees

School bus service is optional for Early Childhood Education section and Secondary. The Primary section runs a mandatory bus scheme (any exception needs to be granted by the school).

6. Scholarships

Scholarships are awarded to Secondary students who demonstrate excellent academic achievement or special talent in other categories. Successful recipients need also to maintain high behavioural standards, a commitment to serving the school, critical thinking, proven leadership skills and team spirit.

7. Financial Assistance

We provide financial assistance to existing students who are in financial need, enabling them to continue their education in [Yew Chung International School - Hong Kong](#). The amount is based on an approved budget for the year. Financial assistance is applicable to full-time currently enrolled students. New students can apply for a bursary which serves as financial aid.
